If there is delay from buyer side in approval of advance sample – the delivery period shall be re-fixed without LD for the period of delay in sample approval. In case, the sample is found to have major deviations / not conforming to the Contract specifications, the buyer at its discretion may call for fresh samples for approval before allowing bulk supplies or may terminate the contract after notifying the deviations to the seller. Unless otherwise provided in the contract, all samples required for test shall be supplied by the contractor free of cost. This reference sample will be used to compare the received lot at the consignee's end. The reference samples will be considered part of the supplied quantity, and the cost will be borne by the seller. **All inspection, laboratory, and other charges incurred during the Pre-Dispatch Inspection (PDI) will be borne by the supplier and will not be reimbursed by the buyer under any circumstances. The supplier must factor the cost of inspection into the product price when submitting the bid. The bidder will be solely responsible for ensuring the quality of the pre-inspected material, including pre-dispatch testing at the manufacturer's site by Northern India Textile Research Association (NITRA) Ghaziabad.** Additionally, the successful bidder must promptly notify the buyer via email
