CISF seizes nearly 1,800 MT coal worth ₹1.08 cr

Akshay Rai

New Delhi

In a major crackdown on illegal coal mining, theft and transportation, the Central Industrial Security Force (CISF) has seized 1,798.725 metric tonnes (MT) of illegally mined, stored and transported coal worth approximately ₹1.08 crore during intensive enforcement operations conducted over the last 3 weeks across coal-

fields under its security cover. The force also seized 84 vehicles, including heavy-duty Hyva trucks and modified motorcycles used for illegal coal transportation, and registered 21 direct complaint cases against individuals involved in illegal mining & coal smuggling.
