

# New Year Message from the Director General

My dear Force members,

As we stand at the threshold of a new year, I want to express my appreciation for your outstanding service and dedication to duty.

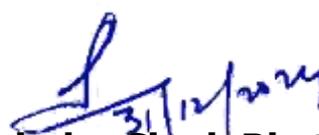

Each day, you demonstrate exceptional courage and commitment, safeguarding vital assets that are crucial for India's rise and development. From airports and seaports to industrial complexes and government buildings, your vigil contributes to the forward march of the nation. Remember, even a routine act of duty contributes to making the nation safer.

The challenges we face are increasingly multi-dimensional and dynamic. We must remain adaptable and innovative, seeking new knowledge/skills to deliver world class security solutions. Let us embrace the new year with a spirit of enthusiasm and a commitment to excellence. As the saying goes, "A smooth sea never made a skilled sailor". I appeal to all the officers & men to embrace the challenges ahead with courage and determination to overcome them.

I am immensely proud to lead this extraordinary force. Together, let us continue to strive for excellence and make the CISF a leader in providing cutting edge security solutions.

Wishing you and your loved ones a joyous and healthy New Year.

Jai Hind !

  
(Rajwinder Singh Bhatti)
