

Holi Greetings from the Director General

On the auspicious occasion of the vibrant festival of 'Holi', I extend my heartfelt greetings to all the officers, personnel and their families. This festival symbolizes the victory of good over evil, the joy of unity and the beginning of new and promising journeys.

In our demanding profession, where duty often keeps us away from our loved ones, festivals like Holi offer us a precious opportunity to refresh ourselves and strengthen our bonds. Let us embrace the true spirit of this festival by promoting a sense of unity and camaraderie.

As we celebrate this joyous occasion, let us also remember that our unwavering commitment to safeguarding the nation remains our highest priority. Let us celebrate responsibly, ensuring the protection and security of critical installations that play a vital role in the growth and prosperity of the nation. I am confident that all personnel will continue to uphold the highest standards of discipline and professionalism, reflecting the core values of the CISF.

Once again, I wish you all a safe, joyful and colorful Holi. May this festival bring peace, harmony and prosperity to your families and to our great nation.

Jai Hind!
