2 held at IGI airport with 163 gm diamond:
The Central Industrial Security Force (CISF) personnel have seized diamonds weighing about 163 gm in various sizes concealed in the waist belt of two passengers at the Indira Gandhi International (IGI) Airport in Delhi. CISF personnel detected the illegal smuggling of diamond at Terminal-3 of IGI Airport on Wednesday. One of the arrested persons, who was carrying about 80 gm diamond, was later identified as Jitendra Farsio who was bound for Istanbul by a Turkish Airlines flight. He was nabbed during the pre-embarkation process. The matter was informed to senior officials of the CISF and Customs. The CISF said that on thorough scanning of his mobile phone and following tactful questioning, it was revealed that his accomplice, M. Anuj Patil Bhagwan, who was travelling by the same flight, was also carrying loose diamonds. With the help of CCTV footage, the passenger was located and intercepted, the CISF said.
