

MESSAGE FROM THE DIRECTOR GENERAL

I have assumed charge of Director General, CISF on 31st August, 2024. It is my honour to lead this elite force recognised for its professionalism, commitment to duty and people friendly image. I dedicate myself to the motto of CISF - “Protection and Security” and salute the brave hearts who have made the supreme sacrifice in discharge of their duties.

Today, the CISF performs a critical role in securing the Parliament House Complex, critical national sectors including atomic energy and space installations, airports, seaports, heritage monuments and Delhi Metro Rail. It would be my endeavour to strengthen the core competencies of the organisation and also focus on making the CISF future ready by imbibing new knowledge and skills through training, capacity building and technology absorption. We will work towards enhancing the effectiveness of the force in operations and foster a culture of excellence & innovation amongst all ranks. The welfare of the personnel will remain at the heart of my priorities.

I convey my best wishes to all members of the force and their families. I am also sure that with the support and cooperation of the force personnel and other stakeholders, we will take the CISF forward.
